

Management System Policy

Quality, Environment, Health and Safety

Idrica is a worldwide company that provides a unique differential value based on experience in digital transformation and knowledge of the management of the complete water cycle.

Our values of transparency, safety and sustainability along with the Quality of our traded software GoAigua, our engineering services, consultancy, and operation of hydraulic infrastructures are the bedrocks of our company's business strategy. All of these guides us to undertake actions with the purpose of boosting efficiency within organizations in the water sector, accompanying them in their digital transformation.

Our Policy abridges the commitments shared by all members of our company:

- To create value through our constant challenge in the pursuit of continuous improvement of our management system in order to prevent incidents related to the quality and/or safety of the product and/or service, to the preservation of the environment and to ensure the safety and health of the people who carry out their duties in and for our organization, eliminating hazards and reducing risks.
- To stimulate the personal and professional growth of our staff, fostering self-respect, maximizing teamwork and ensuring the consultation and participation of workers in relation to health, safety and welfare at work.
- To nurture the commitment to Quality, the Environment and the Health, Safety and welfare of our workers with the aim of designing, developing and providing products and services, adapted to the needs of our customers and users, that grant efficiency in the responsible use of resources with the lowest environmental impact.
- To comply with applicable business, legal and regulatory requirements, particularly those derived from our business activity.

At Idrica, teamwork, commitment, and support from and among everyone is vital to grant the achievement of our objectives. In this context, we are committed to cater to the necessary leadership, support and resources and ensuring that the Policy is reviewed annually and extended to our employees and third parties.
